Description

In Supply Chain recruitment, our consultants are experts. Is logistics and supply chain recruitment on your list of priorities? Make your next hire in supply chain, logistics, transport, sales, or exploitation of merchandise with Find Right Fit People today. We work with startups, SMEs, and multinationals of the Supply Chain industry, with over 8 years of recruitment experience in Europe. Throughout the recruitment process of your future talent, a consultant from our team will guide you. Their services include defining your exact requirements, writing and sharing job ads, selecting the best candidates, organizing and conducting interviews, and helping your new hire integrate.
